

# What is a Safe Place ?

If you find that you are lost, or you just feel unsafe for any reason, and there is no adult with you that you can trust then you should find a **Safe Stranger** to help you.

A good place to find a **Safe Stranger** is in a **Safe Place**.

Examples of **Safe Places** are .....

The best type of **Safe Place** is always in a busy public area.

Why do you think these places can be called **Safe Places** ?

Can you think of any places to avoid if you need help ?
